Be On The Lookout – Voter Information Cards are in the Mail

The Pinellas County Supervisor of Elections began mailing new Voter Information Cards this month to all 623,000 registered Pinellas County voters. This mailing will take place over four weeks, with the last cards scheduled to be mailed on Monday, June 27.

Voters should carefully review the information on their new voter information cards – including name, address and political party affiliation to make sure it is correct. If voters need to update any information, please visit VotePinellas.com or call (727) 464-VOTE (8683). August 1 is the deadline to register to vote and change political party affiliation for the Primary Election.

It is important to note if your political party shows “NPA,” you are registered as No Party Affiliation and are not affiliated with any political party. Florida is a Closed Primary State – only voters registered with a political party can vote in that party’s closed Primary Election.

These voter information cards have new district and precinct numbers following recent special redistricting.

2016 FSASE Annual Summer Conference

The 2016 Florida State Association of Supervisors of Elections (FSASE) annual summer conference was hosted by the Pinellas County Supervisor of Elections in May. Supervisors of Elections and their staffs from across the state gathered to attend meetings and workshops presented by fellow supervisors and staff as well as guest speakers from the Florida Division of Elections and other government entities, in preparation for the fall elections and beyond.
