RECYCLING GUIDELINES

No plastic bags please!

Aluminum Cans – Empty aluminum cans used for drinks or food. Rinse and crush if possible.

Glass Bottles and Jars – Empty glass bottles or jars (all colors). Labels okay. No caps or lids.

Milk and Juice Cartons – Empty gable-top beverage containers such as milk, half and half or orange juice cartons. Rinse and crush if possible.

Newspapers – Clean and dry newspapers (including inserts). No string or twine. It's okay to put the newspapers inside a paper bag.

Plastic Bottles – Empty bottles such as water, soda or mouthwash bottles. Rinse and crush if possible. No need to check for a number—just “*check for a neck*” (i.e., an opening smaller than the base). Bottles only; no tubs, cups or bags. Labels okay. Caps okay but remove the cap from the bottle so that liquids dry out. Place the cap and the bottle in the bin. **(NEW!)**

Steel (Tin) Cans – Empty steel cans used for food such as soup cans. Labels and lids okay. No paint cans. Aerosol cans okay. **(NEW!)** Rinse if possible.

NOTE: Please take **Phone Books** to a convenient [drop-off site for phone book recycling](#).
