

Pinellas County Emergency Management

Pledge to Plan Hurricane Preparedness Series 2022

To help our community prepare for hurricane season, Pinellas County Emergency Management presents the 2022 Pledge to Plan Hurricane Preparedness Series. Pinellas County Emergency Management and affiliated community partners will discuss preparation, evacuation procedures, shelter options, special needs, insurance considerations and resources available to communities within Pinellas County. The webinars are designed to focus on a special interest and are open to all residents, business people and visitors.
